

LET US TAKE THE STRESS OUT OF OWNING EQUIPMENT

YOUR PARTNER FOR FLEET MANAGEMENT

Carolina Handling is your trusted partner and resource when it comes to operating your warehouse or facility more efficiently. With 50 years of experience we provide expert service, consultation, parts and equipment, consignment programs, warehouse products and solutions, technician training and much more. Looking for ways to manage smarter and increase productivity? Look no further. We have programs in place to help you do this.

WE'VE GOT YOU COVERED

Owning and maintaining equipment can be complicated, especially with all the variables in your business, year after year. So relax. We're here to make things as smooth as possible for you. That's why our revolutionary "Trucks as a Service" program provides you with the newest equipment and takes care of every little detail, even depreciation and repairs.

At Carolina Handling, we've got you covered with a great program that can easily meet the needs of your operation. We'll come in and conduct a warehouse audit to understand what specifications will work best. Let us manage your equipment so you can focus on your business.

Material Handling Equipment by the Month

This program is designed to provide partial or complete fleet replacement as a budgeted monthly expense with the flexibility to exchange specifications throughout the life of the program. As your trusted partner, we assist in making recommendations precisely for your operation through our warehouse audit. With MHE by the Month, your productivity levels will increase while your operating costs lower. Do you find your business is slower during one season and picks back up the next? If so, this may be the perfect solution for you.

Our experts are ready to help manage your equipment and maintenance plus provide ongoing consultation for improved deployment and effective utilization of your lift trucks. Carolina Handling's fleet management program takes care of everything so that you can focus on your business.
